*A kind WELCOME to*

*Sulwald Stübli*

*1520 m.ü.m*

*Good to have you here!*

*In the mountains, life has a different pace. Things go a little slower and it takes more time and more handiwork to complete simple tasks. Please consider that we do not have electricity or plumbing up here.*

*Nonetheless we wish you a pleasant stay! Take a deep breath, indulge yourself with local and Tyrolean Delicacies and relax by a fine glass of good wine. We are happy to serve you at the table.*

*To know more about the Sulwald Stübli and how we work up here, just go ahead and ask us.*
