A kind WELCOME to

Sulwald Stübli

1520 m.ü.m

Good to have you here!

In the mountains, life has a different pace. Things go a little slower and it takes more time and more handiwork to complete simple tasks. Please consider that we do not have electricity or plumbing up here.

Nonetheless we wish you a pleasant stay! Take a deep breath, indulge yourself with local and Tyrolean Delicacies and relax by a fine glass of good wine. We are happy to serve you at the table.

To know more about the Sulwald Stübli and how we work up here, just go ahead and ask us.
